Professional Summary

Web and Mobile Developer proficient in **WordPress, Laravel, React, and React Native (Expo)**. Experienced with Android Studio (Kotlin DSL) and WebView integration. Designs, develops, and deploys scalable e-commerce and media-streaming solutions independently.

Work Experience

Web & Mobile Developer │ Sukan (Netherlands) │ Nov 2023 – Present

- Develop and maintain e-commerce, service-based, and product-based websites using WordPress and Laravel.
- Implement custom features, appointment-booking systems, and online stores.
- Diagnose and resolve PHP and WordPress issues to improve performance.
- Optimize speed and security through caching, CDN, and SSL configuration.
- Ensure mobile responsiveness and enhance UI/UX with CSS and JavaScript.
- Collaborate with international clients to deliver tailored technical solutions.
- Integrate payment gateways, CRM APIs, and analytics services across web and mobile.

Notable Projects: flowvox.in • sukan.eu • maxgood.nl

Freelance │ 2021 – 2023

- Built cross-platform React Native (Expo) apps for retail and food-delivery clients.
- Created a custom saree e-commerce website and mobile app, including branding and SEO.
- Automated workflows via Laravel APIs and WooCommerce hooks.
- Improved organic traffic through Core Web Vitals optimization and structured data.

Projects

- **PracandyFlix** – Netflix-inspired React Native (Expo) WebView streaming app with dark-theme UI, Lottie loaders, fullscreen playback, domain-whitelist security, pull-to-refresh, and local caching. GitHub

Technical Skills

- **WordPress / WooCommerce:** Theme development, Elementor, custom PHP
- **React & React Native:** Expo, TypeScript, OTA updates, state management
- **Mobile:** Android Studio, Kotlin DSL, WebView integrations
- **Backend:** Laravel REST APIs, authentication, caching, MySQL
- **Front-End:** HTML5, CSS3, JavaScript (ES6+), responsive UI/UX
- **Design & Media:** Photoshop, Canva, Premiere Pro, After Effects
- **3D:** Maya, Blender, Cinema 4D

Education

- **MCA** – VIT Vellore (in progress, expected 2026)
- **BCA** – MGM College of IT & Management, Patna (2024)
- **Intermediate Science** – AN College, Patna (2021)

- **Matriculation** – Cambridge Public School, Patna (2019)

Interests

Watching movies & series │ Gaming (limited) │ Exploring new technologies │ Learning new languages │ Building useful products for people
